WASHOE COUNTY OFFICIAL PRESS

C. C. POWNING..EDITOR AND PROPRIETOR

FRIDAY.....MAY 26, 1876.

For President of the United States:

B. H. BRISTOW,

SUBJECT TO THE DECISION OF THE

REPUBLICAN NATIONAL CONVENTION

STATE NEWS.

Elko is to have a grand Masquerade ball shortly.

From present indications the grain crop next Fall in Humboldt, will be the largest ever gathered.

The Pioche Record says the rate of taxation in that town is $3 90 on every one hundred dollars of taxable property.

The difference in time between Pioche and San Francisco is, according to the Record, thirty two minutes and nineteen seconds.

The frosts last week have killed all the fruit in Humboldt county Previously the prospects were good for peaches, apricots, cherries, apples and in fact every kind of fruit raised in that county. Now all is destroyed.

The executive officers of the Carson Mint are likely soon to have their salaries raised to the level of those of the San Francisco Mint. Senator Jones is using his exertions to have the increase made.

At a meeting of the Humboldt A. M. & M. Society held on Sunday last, it was voted to give in purses for a speed programme the handsome sum of $6,000; also, the sum of $1,000 to be offered as premiums. The officers of the society are determined to make the coming Fair the most attractive ever given in the State. The liberal purses offered will no doubt bring the fastest trotters on the Coast.

A picnic excursion from Virginia City to Carson will take place Saturday, June 10. The proceeds of the picnic will be for the benefit of the Virginia Orphan Asylum. The excursionists will comprise the orphans and one or more military companies. The picnic will be held on Farmer Treadway's ranch, where target shooting will be indulged in by the military, while the children will be allowed to enjoy themselves in their own way. The Irish American Band will accompany the excursionists.

The citizens of Paradise Valley are making great preparations for a grand time on the Fourth of July, and propose celebrating the Centennial Festival in appropriate manner. A ball will be given under the auspices of Paradise Lodge I. O. O. F., to which the citizens of Winnemucca and other parts of Humboldt county are invited. A meeting of the citizens was held last Saturday evening, at which a committee was appointed to arrange a programme. Everybody is taking a lively interest in the event.

In pursuance of a call by the Mayor of Virginia City to make arrangements for the celebration of the 4th of July, a large and enthusiastic meeting was held at Miners' Union Hall Wednesday evening. F. A. Tritle was elected Grand Marshal of the Day, Judge Belknap, President; Orator, C. E. De Long, Poet, C. C. Goodwin, and Reader of the Declaration of Independence, Ogden Hiles. On motion, it was voted to extend an invitation to Gold Hill, Silver City, Dayton, Carson and Empire to participate on the occasion.

The new hall of the Pacific Coast Pioneers in Virginia City is progressing rapidly. The first story is up and the joists were being laid on it last Wednesday. The next story will be eighteen feet in hight, and the society may yet conclude to add a third story. It will have an ornamental front, in which the grizzly bear will be a prominent decoration. Bears will surmount the iron columns, and in the end of the upper story will be inserted an immense gilt figure of Bruin, the grizzly bear being the emblem of the society. The Pioneers intend making the front on their hall the "boss" front in that city.

BLAINE THE VICTOR.

It may be considered a foregone conclusion that Blaine will be the Republican nominee for President. The conventions held day before yesterday in Missouri, Minnesota, Kansas, Nebraska, Illinois and New Hampshire have about settled the contest. In all of these States, except New Hampshire, the Republicans have declared that "recognizing in Hon. James G. Blaine of Maine a man of tried integrity, of uncomprising loyalty, of commanding ability, both as a leader and a statesman, a fearless, unfaltering advocate and defender of the principles which have preserved the Union and given undying luster to the party of which he is to-day the most admired representative, we take pleasure in recording this fact, that he is our first preference for the office of President of the United States; and while we pledge ourselves to cordially support any pure and upright Republican whom the Cincinnati Convention may nominate, we nevertheless express it as our conviction that no other candidate will develop the enthusiasm or call out the number of votes that would be polled by the American people for the noble champion of their rights, their liberties and their honor." The Illinois delegation stands forty for Blaine and two for Bristow. Minnesota is all Blaine. Nebraska instructed her delegates for Blaine. Missouri stands Blaine fourteen, Morton twelve, Bristow and Conkling one each. Kansas declares Blaine her first choice. New Hampshire leaves the delegates unintructed, but it is believed they are about equally divided between Blaine and Bristow. Thus twenty-three States and Territories give Blaine 290 votes, leaving less than 100 to secure the nomination, which it is more than likely he will obtain. In the event of his nomination it will be our pleasure and duty to assist in his election.

MINISTER TO AUSTRIA—.The press dispatches bring information of Edward F. Beale who has been selected by President Grant to represent the United States at one of the first Courts of Europe:

Beale, the nominee for the Austrian Mission, resigned his lieutenancy in the army and settled in California soon after the American occupation. He was Superintendent of Indian affairs and subsequently for several years United States Surveyor-General for that State, and while there a personal friendship was established between him and Grant, which has continued ever since. After acquiring a large amount of property in California he returned, six years ago, to his old home in Chester, Pennsylvania, from which place he removed with his family to this city in 1874. He was talked of for the appointment as one of the Commissioners of the District at the time the Provisional Government was established, and during his residence in Washington his name has been mentioned by rumor in connection with several other Federal appointments.

A HINT.—The advantage of having your name and address printed on the outside corner of the envelope in which you send a letter, is shown by the following extract from the Postal Laws:

Section 3939.—When the writer of any letter, on which the postage is prepaid, shall indorse upon the outside thereof his name and address, such letter shall not be advertised; but after remaining uncalled for at the office to which it is directed 30 days, or at the time the writer may direct, shall be returned to him without additional charge for postage; and if not then delivered, shall be treated as a dead letter.

MINING NOTES.

The Rye Patch mine is looking better than ever—plenty of good ore in sight.

Favorable news continues to be received from the Golden Chariot and Poorman mines, in Idaho.

Only enough ore is taken from the Raymond & Ely mine to run one-half of a 30-stamp mill The assays are from $59 to $65.

On the 22d there was another shipment of $87,86 from the California mine, making a total of $531,893 so far on May account.

The ninth annual meeting of the stockholders of the Alpha Consolidated Mining Company will be held in San Francisco on the 10th of June next.

The delinquent assessment list of the Caledonia Mining Company is published, and the sale will take place on the 9th of June. Over $90,000 has already been paid up on account of the assessment, and of the unpaid balance there are two lots of $1,890 each.

Assessments are still in order. The Sierra Nevada Mining Company have levied an assessment of $2 per share, amounting to $200,000, delinquent in the office June 26th This is an unusually large assessment, and 100 per cent larger than was ever levied before by the same Company The Caledonia, Crown Point and Prospect Mining Companies have each collected $100,000 this month, and Savage $224,000. It is rumored that Best and Belcher will put on one of $2 and Mexican a $1.50.

THE NEVADA PRESS.

Views and Opinions Upon Current Topics and Events.

POOR INVESTMENTS.

The Elko *Post* has the following sensible article on traveling shows: At this season of the year the towns along the line of the Central Pacific Railroad are nearly every week visited by strolling troupes of fourth rate minstrels or performers of various kinds, who by dint of gorgeously printed bills and conspicuously displayed posters manage to attract large audiences to their entertainments. In nine cases out of ten they fail to give satisfaction, but when they depart they are sure to carry considerable money out of town with them. This is so much lost to the community forever. So frequent have been these exhibitions of mediocre talent that the people have come to look with suspicion upon every show that comes along; but they are not all alike. Still, if our young people would form a dramatic or other association and give occasional entertainments, charging a nominal fee for admission, we are sure they would give good satisfaction, and at the same time the money would be kept at home to help home enterprises.

PIOCHE MINING REVIEW.

The *Record* gives this account as the present condition of mining affairs in that region; though matters during the past week have evinced no remarkable change: The Meadow Valley company is receiving machinery almost daily for their hoisting works and are pushing the work ahead as fast as possible. The Raymond and Ely shows no change at present, the same work being continued. The Alps mine and mill are doing steady work and turning out ore and bullion as rapidly as possible. To the energy displayed in the working of this mine and mill, Pioche is indebted for livlier times than they would have otherwise had as the developments made and men employed have all tended to encourage prospecting in the neighborhood of that mine. The contract to sink on the American Flag mine, will without doubt develope a good vein of mineral. The main shaft of the Pioche is now being sunk from the 1060-foot level. Work on the Antilles is without change. Next week we may look for work to be commenced on the Washington & Creole mine and also others, probably the Hubn & Hunt. The shipments of bullion are now regular, Wells, Fargo & Co., having shipped during the past week $26,558.

A DESERTER SURRENDERS.

The Winnemucca *Silver State* of May 22d relates the following: Last week we mentioned the desertion of five soldiers from Camp Harney, Oregon, four of whom were captured between here and Camp McDermit. The fifth escaped under cover of night by wading through a slough into which an officer followed him up to his arm pits. The deserter, one of a number of recruits recently from the East, and unaccustomed to frontier life, found his way to the railroad and followed Horace Greeley's advice by going West. Unable to find employment at Virginia City, and becoming disgusted with freedom in a country where he had to beg the necessaries of life, he concluded to return, and "beat" his way back on the cars for the purpose of surrendering. He arrived here Saturday night and yesterday delivered himself up to officer Pryor. The young man, whose name is Duffy, is now in jail awaiting the orders of his officers. He says he prefers soldier life to tramping through the State in search of employment, and if permitted will devote the balance of his life to the service of Uncle Sam.

WEATHER IN NEVADA.

The Eureka *Sentinel* of May 21st speaks in this impudent and irreverent way of the weather in its vicinity: Talk about Winter lingering in the lap of Spring. Why, the hoary-headed old sinner appears determined to squat himself into the lap of Summer. Yesterday was the 20th day of May, and a harder snow storm than prevailed for several hours we have seldom witnessed in this section in the midst of Winter. The ground was covered to a depth of four inches, and after it cleared up in the evening the air was as sharp and crisp as in December. The "oldest inhabitant" has never experienced such a season, and it is to be hoped that the youngest one will never experience such another.

BUSINESS FEELING.

The Winnemucca *Register* gives the annexed concerning the future outlook of its section: Our business men are feeling very much encouraged at the prospects of the season. They seem in better spirits than for several months, which is a good sign. When people are blue and discouraged they make times dull anyway. On the contrary, when all are imbued with life and energy, they force business and make times lively. Much does depend on individuals, and we think this is an index of what we may expect.

TELEGRAPHIC NEWS.

EASTERN DISPATCHES.

Blaine's Triumphs Yesterday.

NEW YORK, May 25.

Yesterday was a day of triumphs for Blaine. Republican conventions met in six different States, and in effect he swept everyone of them. Kansas, Nebraska, Minnesota, Missouri and Illinois seem to have gone for him notwithstanding the fact that formal pledges were not made; and although New Hampshire failed to instruct in his favor, seven out of her ten delegates are in his interest, and his friends are jubilant. The prospects now are that he will receive the nomination at Cincinnati. The many rumors set afloat touching his personal honesty and the investigations by his political rivals have not hurt him in the slightest degree with his party. On the contrary, they appear to have advanced his cause, making him popular on account of the persecution of which he seemed to be the victim. It is plain, also, either that Blaine is not an object of enmity at the White House or else that he is strong enough to bid defiance to Grant.

Dom Pedro at New Orleans.

NEW ORLEANS, May 25.

Dom Pedro and party arrived on the steamer Grand Republic last evening, and took rooms at the St. Charles Hotel, where the Emperor received a few informal visits. He will remain for several days.

WESTERN DISPATCHES.

Judge Ferris' Suicide—Small Pox—Items from California Street.

SAN FRANCISCO, May 25.

In the case of Judge Ferris of Oakland, recently reported as having committed suicide by jumping from the Sacramento steamer, it is now rumored among his acquaintances in Oakland that very possibly he has not committed suicide, but has left the State and that the ostensible suicide was simply to disarm suspicion. It is reported that before leaving Oakland the Judge drew $17,000 from one bank and other sums from various banks there, and in this city. It is also stated that he was owing large sums which he could not meet. There are rumors that he has been seen in Salt Lake and other places, but little importance is attached to them.

Only one death has thus far occurred from small-pox in the city, that of Keyser, the well known butcher of the California Market. No new cases are reported and of the seven previously brought to the attention of the authorities, all are progressing favorably, with the exception of the one above stated.

The rumors of an assessment on Imperial and Chollar are stated, officially, to be made of whole cloth.

ACCIDENT.—Jack Frazier had a narrow escape from receiving great bodily injuries last evening. He had been out around the country delivering meat all day and was returning home, his day's work nearly ended. As he was driving down the hill, the other side of the court house, the right forward wheel broke down, scaring the horses that they stampeded, drawing the wagon on three wheels. Jack held on like grim death, steering them safely over the bridge, and by the time they reached the corner of Virginia and Second streets, he had them well in check, and it was but the work of an instant for two or three outsiders to step in and stop them. One of the horses had a heel badly cut, the butcher wagon was somewhat smashed, but Jack escaped safe and sound. And we are very glad of it.

TO RETURN.—Several young ladies who left here a few months ago to attend school at Mrs. Poston's Seminary, Oakland, will return to Reno on to-night's passenger train. They will have a vacation of two months, and have taken this opportunity of visiting their parents and friends. Mrs. Poston, the proprietress of the well known ladies' seminary, will also visit Reno, Carson and Virginia during the vacation.

IN TOWN.—We noticed on our streets yesterday the portly forms of Hon. L. T. Fox, of Gold Hill, and Geo. W. Chedic, of Carson. They have not been here before for some time, and hardly knew the town, it having almost grown out of their recollection.

"SMOKY" came very near having two of his fingers taken off day before yesterday, by a rope being jerked out of his hand. A wild colt was at the other end of the rope.

SHOW.—Another show at the Opera House to-morrow night. You are promised lots of fine presents. Remember the late lamented Dr. Haskell.

SNAKE CHARMER.—An individual, to us unknown, made himself conspicuous around town yesterday, by carrying a snake around on his neck.

NOTICE.—The assessment notice of the Con. Poe appears in this issue.

THE METHODIST COLLEGE.—The Carson *Tribune* publishes the annexed proceedings of the Educational Committee of the Methodist Church which met in that city on Wednesday, and the matter being of local interest we reproduce the proceedings in our columns:

Mr. W. M. Boardman, of Reno, was elected Secretary. Most encouraging reports came to the committee. The probability is that in this matter as in many other enterprises, Carson City will pay the penalty for sluggishness by having to yield the palm of success to Reno. Mr. Boardman assured the committee that Reno was going to do more than is asked by the Methodist Conference. Reno proposes to raise the ten thousand dollars and give the land for the seminary besides. Four different pieces of land are offered by the Renoites in aid of the fund. The citizens of Reno propose to consummate their arrangements in the next few days. There is yet, however, a chance for Carson City to compete for this institution. We know that some of the committee, and we have reason to believe that a majority of them would favor the location of the college at this place, but Carson must manifest the necessary interest. Mr. Tevis, the Chairman, urged that no definite action be taken at this meeting for the location of the institution, for the purpose, as we believe, of giving this city a chance to compete with Reno. Reno has made such an offer now that our people must act or lose the seminary. The offer of Reno will amount to in the neighborhood of thirteen thousand dollars. It seems a shame that this institution is about slipping from Carson. By prompt action it may yet be secured.

STEAMBOAT SPRINGS.—Last Sunday there were eighteen or twenty carriages and buggies at Steamboat Springs, the most of them having come from Virginia. These springs are becoming more popular as they are better known. The curative qualities of the water will equal those of any of the mineral springs on the Coast. Many go from here to California to be benefitted by the waters of the Passo Robles or Gilroy Springs, who might be better served at home. The hotel accommodations at Steamboat are first-class, without the usual accompaniment of such places, viz: exorbitant prices. The cost of board, room, baths and every attention that a healthy or sickly person might require is only three dollars a day. Surely this is cheap. We clip the above from the Lyon County *Times*. It is needless to say we concur in all that has been said.

THE ladies of the Episcopal Church will give a strawberry festival this evening at the Reno Opera House. Strawberries, ice cream, lemonade and flowers will be in abundance. There will be music on hand and a good social time may be expected. Admission free. All are invited.

WE miss Sam. Welch, Nels. Hammond, S. Peyser, J. W. Maddrill, M. J. Smith, Billy Caughlin from their accustomed haunts. They celebrate in Nevada and Grass Valley to-day.

FURNITURE. — Sanders & Neale have in store, just received, a splendid lot of new furniture. They buy and sell all articles in that line; and they sell at the very lowest rates.

THE overland freight trains now arriving from the East are long and well filled with assorted goods, including groceries, dry goods, hardware, drugs, paints, oils, etc.

SOME important negotiations are on foot relating to the sulphur and cinnabar mines at Steamboat. We hope our boys will make a few dollars for themselves.

THE West bound overland train was four hours late at this station yesterday morning, owing to a "wash-out" on the Union Pacific.

ALL the trains are making "time." Occasionally we are called upon to note an exception.

SOMETHING NEW.—On and after this date the ladies and gentlemen of Reno and the public in general will find at the Capital Restaurant the following refreshments:

Strawberries and Cream.
Vanilla Ice Cream.
Lemon Ice Cream.
Water Ices.
Roman Punch.
Orange Sherbet.
Lemon Sherbet.
Frozen Fruit.
Tutti Futti Ice Cream.
Cake, etc., etc. 24-3t

BIDS.—The Odd Fellows' Building Committee is now ready to receive bids for the erection of the new Hall, according to the plans and specifications which are to be seen at Jaquish's store. *

Orders may be left with Mr. Louis Wintermantle, where one of these pianos can be seen. *
